Fruit is sourced from almost every AVA in the Willamette Valley, ensuring optimal blending potential and representation of the diversity of pinot noir in the appellation.

Unique sites include vineyards located in the high-elevation Eola-Amity Hills, the foothills of the cool coastal range in the McMinnville AVA, the warm red-soiled vineyards of the Dundee Hills and our expressive Bishop Creek Vineyard in the Yamhill-Carlton AVA. This wine is sourced almost exclusively from biodynamic, organic and LIVE certified vineyards.

Deep, glistening red. Sexy, assertively perfumed aromas of fresh red fruits, potpourri and baking spices, with a hint of cola in the background. Juicy and focused on the palate, Jay's 2017 Pinot Noir offers vibrant raspberry, bitter cherry, blood orange and rose pastille flavors and a late jolt of spicy white pepper. Made in a fresh, exuberant style, with silky tannins sneaking in slowly to add shape and grip to the impressively long, spice-accented finish. Aged in 30% new oak.

High-toned and damp, this wine displays aromas of wet earth, Earl Grey tea and cocoa nibs, followed by flavors of pomegranate and red plum skin. It's classic Oregon Pinot Noir, and one can see the Méo-Camuzet influence, albeit with a softer generosity. The blend is based around Bishop Creek Vineyard, with smaller portions of other sites.
