

NICOLAS-JAY ESTATE 2021 L'ENSEMBLE PINOT NOIR, WILLAMETTE VALLEY

The Winery

Nicolas-Jay Estate is the story of a three-decade friendship between Burgundian winemaker Jean-Nicolas Méo and music entrepreneur Jay Boberg. Jean-Nicolas was the architect and innovator behind the rise of *Domaine Méo-Camuzet* as one of the most sought-after and collectible producers in the last 30 years. Wines of exquisite texture, persistence and density that also precisely represent the landscape and terroir in which they would come from. With this natural understanding of viticulture and wine, combined with the mastery of prestigious terroirs left by his family and developed by himself, Méo-Camuzet rests amongst an elite few in benchmark level wines and the lofty status the *Domaine* enjoys in Burgundy today. Jay Boberg would bring more than his share of innovation and inspiration to the table as the two set forth in the early 2010's on this quest to produce top-quality Willamette Valley wine together. Jay's visionary approach for his own craft, signing and producing iconic bands, would bring an eye and approach to the partnership unlike few other duos in the wine industry. The Co-founder of the seminal indy label *IRS Records* in the early 1980's to President of *MCA/Universal records*, would find him fostering and launching bands such as *R.E.M.*, *The Go-Go's*, *Blink-182*, *Mary J. Blige*, *Sublime*, *The Roots* and *B.B. King*.

The Wine

L'Ensemble Pinot Noir is a carefully crafted assemblage of individually fermented blocks from some of the finest vineyards in the Willamette Valley. Production levels are subject to vintage quality, where only the most texturally rich barrels are elevated into this sensational blend. It took multiple years of vineyard and winery trials to identify and isolate the subtle variations of each site we farm. Then we adjust our farming approach each vintage to liberate a boldness and individualized charisma from the plants that may have otherwise been absent. Shepherding of the wines through a natural process in the winery escalates a heightened level of 'aliveness' out of the wines, and therefore a display of terroir purity and vibrant expression.

Harvest

The beautiful 2021 vintage began with a warm dry winter followed by a wet and cool late Spring. Grape ripening slowed down and the very healthy and abundant fruit began showing signs of ripeness in early September. Harvest was beautiful and dry with only one small rain event toward the end, ideal for a successful vintage. The fruit was pristine and yields were abundant, leading to moderate alcohol levels and bright acidity.

This wine captures so well what makes people excited about Oregon's Pinot Noir. Fresh fruit, savoury minerality and umami character.
