

NICOLAS-JAY ESTATE 2022 Vintage Fall Collection Release

HARVEST

Pinot Noir shows classic, cool-climate aromatics reminiscent of vintages long ago. A delicate and ethereal structure shows elegance on the front end, but a generous complexity develops in the mid-palate with waves of citrus fruit acidity intermingling with a dark blackberry liqueur and minerality essence. Lifted and upright from start to finish with an unrelenting precision and energy throughout. Chardonnay aromatics are stunning, with river stone chalkiness, grilled peach and pineapple acidity freshness. Medium+ density intertwined with orchard fruits, minerality and toasted grain that make it almost impossible not to parallel these wines with the southern climats of Côte de Beaune.

Be relentless in producing small quantities of age worthy and collectible wines by farming only the highest quality vineyards | Be unwavering in the commitment to low-intervention, holistic and sustainable farming practices | Production levels will be managed to meet a quality expectation, not to meet a demand | Be ardent stewards of terroir purity and vintage expression and bottle authentic wines with fine-grained tannins and complex textures | Produce wines of persistence and balance, with naturally high micro-biome counts that bear weight, but without heaviness | Accept that this product range will experience varying degrees of scarcity in availability

The Nicolas-Jay Estate is Proud to Release These Fall Collection Wines to You
