## VOSNE-ROMANÉE, CÔTE DE NUITS

Méo-Camuzet has been a prominent Burgundian winemaking family for 400 years, owning some of the best terroirs in the heart of the Côte d'Or. With more than thirty years of practice gained on the job, Jean-Nicolas Méo has developed his own style derived from his trainings with Henri Jayer. With a deep understanding of viticulture and winemaking achieved naturally, Jean-Nicolas harnesses mastery and precision in handling the prestigious plots left by his family and those developed on his own. Wines of exquisite texture, persistence and density that precisely represent the terroir in which they come from. It is then no surprise that Méo-Camuzet has reached such a lofty status amongst the company of an elite few.

### Family History

The Méo family have devoted themselves to growing vines and making wine for more than four centuries. From the 19th century forward, the Méo children chose academics and theory as their chosen paths. For example, The great-grandfather of Jean-Nicolas was a primary-school teacher, his grandfather graduated from the École Nationale des Ponts et Chaussées (civil engineering) and his father, Jean Méo, was a graduate of the École Polytechnique and an engineer in the Corps des Mines. Jean was later elected a Member of the European Parliament and sat on the Council of Paris. Jean Méo's mother, Marcelle Lamarche-Confuron, originating from an old winegrowing family in Vosne (with already a small activity as négociants), that the Méo's came to reside in Vosne-Romanée. Jean Méo's grandmother was the first cousin of Étienne Camuzet (1867-1946) who was a winegrower in Vosne-Romanée, mayor of the village and also an MP for Côte d'Or from 1903 to 1932. In 1920, he had the opportunity to purchase the Château du Clos de Vougeot and a large portion of the vineyard, but instead of living there, he arranged for his tenant farmers to take it as a residence. In November 1944 he sold the Château. Not surprisingly, the château had suffered during the war and elected to pass it on to the Confrérie des Chevaliers du Tastevin. Following the death of Étienne Camuzet, his daughter, Maria Noiro, inherited the estate from her father and retained the tenant farmers. She had no children, however, and when she died, in 1959, she bequeathed the estate to her nephew, Jean Méo. Throughout that period, he relied on four tenant farmers, including the great winegrower, Henri Jayer, who was one of the first to control temperatures systematically during vinification, always bringing out the freshness and the fruit, thus making the nose and the texture of the wine more attractive. Jean Méo was to manage the estate from 1959 to 1984, after which he called upon his son, Jean-Nicolas, to oversee the Domaine's operations. In 1981, the Camuzet estate became Domaine Méo-Camuzet, and shortly thereafter the domaine would dramatically change course away from tenant farmers and into bottling small-production wines with cult-level interest from collectors and wine writers across the globe.

## MÉO-CAMUZET FRÈRE & SOEURS

It's very difficult to expand in Burgundy, land is scarce and very expensive, so Jean-Nicolas arranged a négoce company in the early 2000s that would allow him to explore and innovate without competing with the domaine. "Méo-Camuzet frère et soeurs" would symbolize the family partnership and the range was to be oriented towards more accessible wines while allowing the domaine to pursue the prestigious climats it was well known for. The principle is to buy the grapes, to ensure a unity of methods, and therefore style with the estate's wines, right from the harvest. It also favors long-term relationships with suppliers, to gain experience of each climat in hopes of creating a successful négociant business that top growers would admire. Méo-Camuzet Frères et Soeurs is a brand designed with purpose; beautiful wines that are more accessible.

Juicy black cherry and blackberry fruit takes on darker tones of iron, meat, black pepper and spice in this muscular red, which is balanced in an oversize way, with hints of mint and violet shining through as this fans out on the kaleidoscopic finish. Best from 2023 through 2042. 1,215 cases made, 120 cases imported.

## A Life in Music and Wine

In 1974, when Jay Boberg was 16, he saw The Who on their *Quadrophenia* tour. "It was a life-changing experience for me," recalls Boberg, who was studying classical guitar at the time. That concert, in many ways, set Boberg on a path toward rock-and-roll glory.

Music fans will recognize the roster of bands that Boberg, as co-founder of I.R.S. Records, helped establish in the late 1970s and early 1980s: the Police, R.E.M., the Go-Go's, English Beat and the Bangles. Later, as president of MCA Records, he was instrumental in the careers of Mary J. Blige, Alanis Morissette, Blink-182 and Sublime in the 1990s. But Oregon Pinot Noirs lovers will know Boberg from Nicolas-Jay, his Willamette Valley partnership with winemaker Jean-Nicolas Méo of Burgundy's Domaine Méo-Camuzet.

Boberg was at UCLA when he discovered wine through a roommate who worked for a local distributor; a later trip to Napa Valley sealed the deal. He staged wine tastings for friends in the music business while at I.R.S., and even owned a Napa Cabernet vineyard for a time. Boberg and Méo met at a dinner party in 1988 while Méo was studying abroad in the United States. The two connected over their similar attitudes about music, life, and of course wine, particularly Burgundy.

By 2011, the friends were ready to start a winery together and decided that Willamette Valley was the spot. The first task was finding the right vineyard. Over the next few years, the partners visited dozens of wineries and tasted wines from more than 200 vineyards. It was particularly fascinating, Boberg says, to compare the same vineyard interpreted by different winemakers.

Finally in 2014, they settled on Bishop Creek, a 13.5-acre vineyard in Yamhill-Carlton. The vines are about 30 years old and are planted on their own roots, not rootstock, on steep and rolling hillsides. That's unusual. The 2014 was the first commercial bottling of Nicolas-Jay, a Willamette Valley Pinot Noir, a blend, not a single-vineyard wine. "We're trying to find the absolute, ultimate expression of Willamette Valley Pinot," Boberg told me in 2019.

The initial vintages were made at Adelsheim and Sokol-Blosser wineries, until the partners bought and renovated an old cattle barn in the Dundee Hills and opened a winery and tasting room earlier this year. Boberg lives nearly half the year in Oregon, and

*Music fans will know Jay Boberg as the co-founder of I.R.S. Records. In wine, he's the co-founder of Nicolas-Jay.*

while he defers the detailed winemaking decisions to Méo and his Oregon-based assistant, Tracy Kendall, Boberg is on hand for many tasks: taking grape samples in the vineyard, hauling fruit to the winery, doing punch-downs and offering his opinion during blending trials.

I sat down with Boberg recently to taste (non-blind) the winery's new 2018 wines and we talked about how Nicolas-Jay is moving away from its original Willamette Valley focus to concentrate on single-vineyard bottlings. The 2018 Nysa Dundee Hills Pinot Noir and the 2018 Bishop Creek Yamhill-Carlton were impressive for their polish and handsome structure, and should continue to bloom in the cellar. New to the portfolio in 2018 is L'Ensemble Pinot Noir, which represents the best barrels from the Willamette Valley blend; it offers exceptional depth and vibrancy.

While Boberg is not involved in the music business these days, it remains close to his identity. As we tasted, a playlist of 1980s alt-rock played in the background. He has more than 3,500

albums in a collection at his Santa Monica home. Despite his accomplishments in the music business, Boberg is reluctant to tell many tales of the day, preferring to talk about wine, and yet I pulled a few good stories out of him.

"I signed R.E.M. at the very beginning," he recalls, "and I was their partner and lead advocate for the first six albums." Alt-rock fans know R.E.M. discs such as *Reckoning* and *Life's Rich Pageant*, which were staples on college radio in the 1980s. Boberg was still in college when he started promoting concerts in Los Angeles. He booked the Talking Heads first L.A. concert and Peter Gabriel's first solo tour. While promoting the Police's first United States tour in 1978, he connected with the band's manager, Miles Copeland III, and together they launched I.R.S.

Still friends with members of R.E.M. and the Police, Boberg tells a classic story about Sting. During a tour of Australia with the Police and opening act the Go-Go's in the early 1980s, Sting came down to breakfast one morning with a boom box and played Boberg a demo of "Every Little Thing She Does Is Magic," which he had written the night before. Now that's a memory that rivals seeing The Who in 1974!

## ORIGIN: WILLAMETTE VALLEY, OREGON

Nicolas-Jay Estate is the story of a three-decade friendship between famed Burgundian Winemaker Jean-Nicolas Méo and music entrepreneur Jay Boberg. A former vineyard owner and grower in the Napa Valley, Jay delivers a unique passion and discipline for quality control, estate management and grower relations. An important and esteemed music industry icon, Jay now couples a business acumen with a natural congeniality that is pivotal to the estates success.

After 30+ years of Winemaking in Burgundy, and a desire to further challenge himself, Jean-Nicolas was elated to innovate once again. This time in the Willamette Valley. In the early 2000's he explored the Côte d'Or and created "Méo-Camuzet Frère et Soeurs" négoce label. The Nicolas-Jay Estate would allow him to discover what possibilities exist in the new world first-hand. Applying his viticulture and winemaking gifts to create a range of wines that would be far more obtainable than the Domaine's, but every bit as world-class.

### Winemaking Principle

Be relentless in producing small quantities of age worthy and collectible wines by farming only the highest quality vineyards | Be unwavering in the commitment to low-intervention, holistic and sustainable farming practices | Production levels will be managed to meet a quality expectation, not to meet a demand | Be ardent stewards of terroir purity and vintage expression and bottle authentic wines with fine-grained tannins and complex textures | Produce wines of persistence and balance, with naturally high microbiome counts that bear weight, but without heaviness | Accept that this product range will experience varying degrees of scarcity in availability

## THE NICOLAS-JAY ESTATE, DUNDEE HILLS

This stunning, amphitheater-shaped site on the north face of the Dundee Hills features dramatic elevation gains and a diverse set of micro-climates ideal for high-quality Pinot Noir and Chardonnay plantings. A cooler site than the south-side of the mountain, the Nicolas-Jay Estate was previously a long-horn cattle ranch and Christmas tree farm dating back to the 1940's. The property features an old cattle barn that has been renovated into a charming tasting room, multiple barrel cellars and a sustainable gravity-fed winery.

The 2021 vintage marks the first complete harvest crushed, fermented and bottled at the estate.

## WINEMAKING PHILOSOPHY

*"Locating the finest vineyards in the Willamette Valley has been paramount, but how we approach these vineyards and handle the fruit is equally as important as the grapes themselves. Our goal is always to capture that brief moment when the vineyard is in perfect balance, so when you open that bottle you're swept away to that place. You can experience the character of the vintage with all of your senses." Jean-Nicolas Méo*

**Harvest can only begin** when acid and sugar are in perfect balance. We will not compromise natural acidity levels for ripeness, to create wines of balance and persistence we must pick when the grapes have a brightness in their flavor and persistence in their texture

### PINOT NOIR

- Green thinning to establish lower cluster counts per vine
- Gentle picks and vigorous sorting to remove MOG and under/over ripe berries
- Utilize small 1/8-ton cherry bins, one cluster on top of another
- 12-person winery sorting table to review fruit quality
- 100% destemming
- Slow, steady press cycles at low pressures for pure fruit and a silky mouthfeel
- Extended cold maceration/soaks to establish texture freshness
- Native yeast fermentations
- 40+ small fermentation vessels to micro-ferment by block
- Gentle aeration and extraction
- Pumpover while the berries are intact to accentuate weight, body and flavor and reduce the influence of seed and skin tannins
- If necessary, punchdowns are executed at dryness to round out tannin structures
- Bottled unfiltered, unfiltered and vegan

### CHARDONNAY

- Each vineyard block is picked at optimal sugar and acid ripeness to ensure freshness, vibrancy and balance of flavor
- Extremely gentle whole cluster pressing begins first (the cuvée), so as to not color the juice from excessive skin contact
- Then, a heavier press cycle (the tailee) is collected and set aside
- Free-run and pressed juices are then combined together after long cold soaks in the barrel room
- Juice is racked to barrel and air temperatures are increased to kick off fermentation
- Fermentation temperatures range from 55-70F, locking in the delicate aromatics, then integrating acidity of the wines
- Full malolactic fermentation in barrel smooths and softens the wines
- After élevage (barrel aging), the wines are gently racked to tanks for settling
- After approx. 16-17 months the wines are bottled unfiltered and vegan

**100% Organic, Bio-dynamic, LIVE certified, Salmon Safe**

- The Nicolas-Jay Estate only partners with growers who are committed to the highest sustainability standards
- Regenerative farming practices like cover crops and compost are used to enhance soil health and the local ecosystems
- Insectaries and no-till farming techniques build natural biodiversity across many of the vineyards we farm, creating a haven for bees, butterflies, and other pollinators
- Bottling our wines in lighter, more eco-friendly glass reduces our carbon footprint impact

The Nicolas-Jay Estate is committed to the highest possible holistic and regenerative farming standards

### The Wine

The core objective to venture into the Willamette Valley would be two-fold. The pursuance of the best possible vineyards, first. Then understanding if a cuvée made outside the constraints of the Appellation d'Origine Contrôlée could deliver sense of place and enchanting textures as prolifically as the great climats of the Côte d'Or. It would take the highest of expectations across dozens of vineyards for half a decade. Micro-fermenting newly discovered blocks in search of hidden subtleties and hundreds of hours of relentless determination, year after year, until a path could emerge. A passageway to a special wine, a wine that symbolizes a refined expertise that can only come from 35 vintages on top of the world's most hallowed Pinot Noir ground.

- Striking viscosity, it dances across the tongue with a refreshing lightness. Fine-grained tannins weave seamlessly with bright acidity, offering a clean, mouthwatering feel that leaves you craving more. International Wine Report*
- Fine floral red cherries and cranberries on the nose. There's a lovely sappy edge to the red cherry and plum fruit on the palate with direct red fruits and real finesse. Nice energy here: very fine with good purity. Wine Anorak*
- The aromatics are grounded in red florals, with touches of earth and a spritz of spiced blood orange. The palate is elegant and refined, with tart berries, a silken structure and a beautiful finish of savoury spice. Decanter*
- Top 100 Wines of the year contender. Pure notes of wild berries, delicate spices, crushed stones, and fresh roses. Medium-bodied on the palate, it's refreshing and light on its feet, with fine tannins, a clean feel all the way through, and a tapered, mouthwatering finish. Seamless and pure, this is fantastic. An important and esteemed music industry icon, Jay now couples a business acumen with a natural congeniality that is pivotal to the estate's success.

After 30+ years of Winemaking in Burgundy, and a desire to further challenge himself, Jean-Nicolas was elated to innovate once again. This time in the Willamette Valley. In the early 2000's he explored the Côte d'Or and created "Méo-Camuzet Frère et Soeurs" négoce label. The Nicolas-Jay Estate would allow him to discover what possibilities exist in the new world first-hand. Applying his viticulture and winemaking gifts to create a range of wines that would be far more obtainable than the Domaine's, but every bit as world-class.

### The Wine

[uh-fin-i-tee] The relationship and connection between different elements. Each vintage our Affinités Chardonnay showcases the brilliance individual sites can produce when masterfully tempered and blended, with the ultimate objective of encapsulating the true spirit of the vintage. Not an individual expression of one site, but rather a composition of shared connections from a special place captured in a moment in time. The chosen vineyards (Bishop Creek, Von Oehsen, Spirit Hill) are interwoven to reveal the delicate flavors and sheer beauty of the Willamette Valley.

### Harvest

Chardonnay aromatics are stunning, with river stone chalkiness, grilled peach and pineapple acidity freshness. Medium+ density intertwined with orchard fruits, minerality and toasted grain that make it almost impossible not to parallel these wines with the southern climates of Côte de Beaune.

Vineyard	AVA	Vine Age	Contribution	Farming

### Press / Accolades

*There is a great deal of minerality. For Chardonnay, this is not a super ripe vintage, it's around 21 or 22 brix. In general, sugars were low, and the wines carry great freshness and the Chardonnays achieved optimum ripeness in a very light way. There is a liveliness', Meo concludes. This wine offers great minerality, ample smoky lemon peel, a saline throughline that is the calling card of great Willamette Valley Chardonnay. Decanter*

**95** Subtle toast and aniseed on the nose with taut citrus fruit. Lovely depth of flavour with lemon, pineapple and pear fruit as well as good acidity. Fine and linear, and ageworthy **Wine Anorak**

**94** It pours a brilliant yellow/silver color and leads with notes of citrus oils, delicate toast, wet stone, white mushrooms, and white peach. Medium-bodied and approachable, it floats on the palate with good extract and should age with ease over the coming 6-8 years. **Jeb Dunnuck**

NICOLAS JAY

## NICOLAS-JAY ESTATE 2022 OWN-ROOTED PINOT NOIR, WILLAMETTE VALLEY

### The Winery

Nicolas-Jay Estate is the story of a three-decade friendship between Burgundian winemaker Jean-Nicolas Méo and music entrepreneur Jay Boberg.

Jean-Nicolas was the architect and innovator behind the rise of *Domaine Méo-Camuzet* as one of the most sought-after and collectible producers in the last 30 years. Wines of exquisite texture, persistence and density that also precisely represent the landscape and terroir in which they would come from. With this natural understanding of viticulture and wine, combined with the mastery of prestigious terroirs left by his family and developed by himself, Méo-Camuzet rests amongst an elite few in benchmark level wines and the lofty status the *Domaine* enjoys in Burgundy today.

Jay Boberg would bring more than his share of innovation and inspiration to the table as the two set forth in the early 2010's on this quest to produce top-quality Willamette Valley wine together.

### The Wine

Our 'Own-Rooted' Pinot Noir showcases several old-vine sites in the Willamette Valley, each at least 30 years old, and planted at a time when rootstock was relatively rare in Oregon viticulture. Our own Bishop Creek Vineyard supplies a portion of the blend, showing off its characteristic black fruit and granite tannin structure. Hyland Vineyard, the oldest in the McMinnville AVA, sits atop a hillside looking over the Van Duzer Corridor, and its 46-year-old vines supply earth-driven tension in this wine. 1989-planted Pommard clones from the Nysa Vineyard completes this wine, supplying ethereal elements, red fruits and dusty spice.

### Harvest

Pinot Noir shows classic, cool-climate aromatics reminiscent of vintages long ago. A delicate and ethereal structure shows elegance on the front end, but a generous complexity develops in the mid-palate with waves of citrus fruit acidity intermingling with a dark blackberry liqueur and minerality essence. Lifted and upright from start to finish with an unrelenting precision and energy throughout.

Vineyard	AVA	Vine Age	Contribution	Farming
Bishop Creek	Yamhill-Carlton	36 years	Power, granite, blue fruits	Organic
Nysa	Dundee Hills	32 years	Elegance, red fruits, spice	Organic
Hyland	McMinnville	51 years	Ethereal, floral, red fruits	Bio-dynamic

### Press / Accolades

At first, it opens with rugged aromas of damp forest floor and savory brined black olives, slowly revealing layers of fresh pine, wildflowers, and blackberry preserves with hints of shaved dark chocolate. Its texture initially feels understated, but it quickly blossoms into a dense, layered experience that gently grips the palate. **International Wine Report**

It's a gorgeous Pinot Noir, with an effusive nose of candied fruits and sweet, smoky rose petals. There is ample forest floor as freshly turned earth melds with sweet bright cherries, a squeeze of blood orange and loads of dried wild herbs which deliver a savoury finish. There's a silken texture that I often find in the own-rooted vine Pinot Noir from the Willamette. It's a lovely wine. **Decanter**

Very pretty and floral on the nose, with notes of wild black raspberries, fresh flowers, a hint of procini powder, and sweet forest earth. Harmonious and medium-bodied, it fills the palate with a juicy feel upfront and is approachable now, with ripe, sweet tannins, fresh accents of bright acidity, and an even, balanced finish. It's well-detailed and rounded and is going to show its best over the next 10-15 years. **Jeb Dunnuck**

It's a complete wine with sweet cherries and plums. Textural and finely spiced with grainy structure. Has great balance and density with a firmly structured finish, but it's also very fine. **Wine Anorak**

NICOLAS JAY

## NICOLAS-JAY ESTATE 2022 PINOT NOIR, WILLAMETTE VALLEY

### The Winery

Nicolas-Jay Estate is the story of a three-decade friendship between famed Burgundian Winemaker Jean-Nicolas Méo and music entrepreneur Jay Boberg.

A former vineyard owner and grower in the Napa Valley, Jay delivers a unique passion and discipline for quality control, estate management and grower relations. An important and esteemed music industry icon, Jay now couples a business acumen with a natural congeniality that is pivotal to the estate's success.

After 30+ years of Winemaking in Burgundy, and a desire to further challenge himself, Jean-Nicolas was elated to innovate once again. This time in the Willamette Valley. In the early 2000's he explored the Côte d'Or and created "Méo-Camuzet Frère et Soeurs" négoce label. The Nicolas-Jay Estate would allow him to discover what possibilities exist in the new world first-hand. Applying his viticulture and winemaking gifts to create a range of wines that would be far more obtainable than the *Domaine*'s, but every bit as world-class.

### The Wine

The Willamette Valley Pinot Noir is the original, and first wine made by Nicolas-Jay. The vineyard sourcing has changed since that first vintage, but the essence has always remained the same: locate the most expressive vineyards in the valley, farm them gently and sustainably and produce a Pinot Noir that is pure, fresh and symbolic of this place. This bottling has a very special place in our heart. It receives no less attention than any other bottlings at the estate and is the culmination of over 45 years combined winemaking experience between Jean-Nicolas Méo and Assistant Winemaker Noah Roberts.

### Harvest

Pinot Noir shows classic, cool-climate aromatics reminiscent of vintages long ago. A delicate and ethereal structure shows elegance on the front end, but a generous complexity develops in the mid-palate with waves of citrus fruit acidity intermingling with a dark blackberry liqueur and minerality essence. Lifted and upright from start to finish with an unrelenting precision and energy throughout.

Vineyard	AVA	Vine Age	Contribution	Farming

RPG	Eola-Amity	28 years	Cardamon, orange, clean	LIVE
La Colina	Dundee Hills	23 years	Pomegranate, clove, black tea	LIVE
Nysa	Dundee Hills	35 years	Elegance, red fruits, spice	Organic
Bishop Creek	Yamhill-Carlton	36 years	Power, granite, blue fruits	Organic
Terry	Yamhill-Carlton	19 years	Blackberry liqueur, earth	Organic
Montazi	McMinnville	26 years	Wild blackberry, sweet citrus	Bio-dynamic

### Winemaker Tasting Notes

This blend is almost equally divided between the regions of Eola-Amity, Dundee Hills and Yamhill-Carlton and shows a deeper hue and color saturation than prior vintages. Its been impressive to watch the winemaking team assemble this cuvee into an allegorical representation of each vintage's subtle differences while also delivering the typicity of pure Willamette Valley aroma and texture. And this 2022 version delivers once again with a delicate floral component that's ethereal and elegant. There's black cherries and hints of fresh Gala apples, gentle baking spices and light toasted oak barrel. A lovely red cherry powder texture emerges that seems to unlock aromas of sarsaparilla and raspberry-clove essence. The tannin structure is delicate, but everlasting, and the wine shows good density and plenty of age ability. The hurdle here is the wines alluring style at this youthful state, a prettiness that is so inviting right now that pulling the cork as soon as you can could very well be a sound decision.
